It appears that all parties have now consented. Please let us know as soon as possible if and when the ALJ grants our motion. We are most appreciative.

**Subject:** Request for postponement of hearing; parties' response

Under Wis. Admin. Code s. PSC 2.21(2), parties have 10 days to respond to the motion of Milwaukee Water Works that seeks to suspend the schedule and hold a second prehearing conference. If all the parties indicate their willingness to suspend the schedule sooner, the ALJ can grant the motion without waiting for this 10-day period to expire.

For this reason, please respond to this e-mail as soon as practicable, indicating whether your party is willing to suspend the schedule for hearing as requested by Milwaukee Water Works. Commission staff does agree that suspending the schedule is appropriate. I will compile your responses and indicate to the ALJ whether the parties are in agreement or not.

Thank you.
